Are you an Early Career presenter?

** Early Career presenters include current students and those who were enrolled in a university program within the past 3 years. If you are unsure, describe your career stage using the "Other" option.*

- [ ] Yes
- [ ] No
- [ ] Other

If you chose "other", please explain:

Title of the presentation*

Write **three keywords** that best suit the content of your publication. Examples: plasma facing materials, materials/particles interaction, breeding blankets, equilibrium codes, kinetic simulations, gyrokinetics electromagnetic simulations, turbulent transport, tokamak, stellarator, MHD instabilities, multiphysics for reactors.

This submission is for the consideration of:

- ☐ Invited talk (25 minutes talk + 5 minutes Q&A)
- ☐ Contributed talk (15 minutes talk + 5 minutes Q&A)

Are you interested in the option to submit a paper to a special issue in Plasma Physics and Controlled Fusion after the workshop?

- ☐ Yes
- ☐ No
- ☐ I don't know yet
